VEB Gaselan has received an order from Communist China to prepare plans for a gas plant to be constructed in China. A total of 750,000 DME has been given to Gaselan for the development of these plant. The plant, which will use coal as raw material, is to be equipped with all the latest refinements. ¹ It is not yet known whether Gaselan will be responsible for the actual construction of the plant.

1. Comment: Any further details on this plant, such as size, location or specific details to be included in the plans could not be ascertained.
